

TEAM SYNERGY ACCELERATOR

Have a plan to strengthen your team's dynamics in 1 week!

The [Team Synergy Accelerator](#) is designed to take the guesswork out of managing people.

This accelerator equips people managers with insights, tools and templates to enhance communication, collaboration, connection and clarification creating synergies and alignment.

Danette Shaifer

Founder & Chief Empowerment Officer

SOUND FAMILIAR?

- ✓ the team experiences misalignment on goals and objectives
- ✓ inefficiencies hinder performance
- ✓ a lack of trust exists
- ✓ confusion and frustration is common
- ✓ you or others are new to the team
- ✓ it's time to check in to realign with your team

TEAM PULSE CHECK

Guide your team to new heights with the clarity and confidence gained from our expert analysis and support. During this phase of our engagement, your team will provide insights into their experience with communication, collaboration, connection and collaboration in the workplace.

COLLABORATION CLARITY KIT

This toolkit is designed to streamline communication and collaboration processes to ensure team member alignment and effectiveness. You will receive guidance on customizing and leveraging the tools and templates provided.

ENGAGEMENT BUNDLE

Access resources on mastering the art of hosting virtual meetings and engagement. Whether you seek ideas for virtual icebreakers or teambuilding activities, these tools will empower you to engage with your team effectively. Additionally, this bundle provides a tool to gain awareness of your team member's development needs and aspirations (think "stay interview").

“

I've been using the feedback from the Pulse Check to build my entire talent management and recruitment model and it's been super helpful. I'm excited to see how the improvements and preventative measures perform in the fall semester.

Jaslyn Nguyen
Talent and Retention Specialist
University of Colorado Denver

”

“

From tackling project updates in our weekly meetings to setting up a communication charter and beginning to utilize the "All About You, A Development Tool," the impact has been nothing short of astounding. As their new manager, I'm particularly focused on streamlining our communication processes.

T. Wilson
Technology Training Manager
